# ST2

ST2 furniture is bench made in the United States. Each piece of furniture is handcrafted using the finest raw materials and quality finishes. ST2 sources the most beautiful materials from the US and around the globe. Woods are hand selected to capture the most unique wood grain, making every surface a one of a kind. To a large extent, pieces are constructed of solid wood. Furniture is made to order, so modification of an existing item or a totally new idea is possible.
